The reports would enable the Commission staff to report to Congress in 1998 and 1999 regarding the industry's preparedness; supplement the Commission's examination module for Year 2000 issues; help the Commission coordinate self-regulatory organizations on industry-wide testing, implementation, and contingency planning; and help increase broker-dealer awareness that they should be taking specific steps now to prepare for the Year 2000. Additionally, the Commission issued an advisory notice on its books and records rules relating to the Year 2000.

The Commission has recently received requests from interested persons to extend the comment period for this release. The Commission believes that extending the comment period is appropriate in order to give the public additional time to comment on the matters the release addresses. Therefore, the comment period is extended from April 13, 1998, to April 27, 1998.

Dated: April 14, 1998.
